

1889 "Strong as the Strongest" 1913

SERVICE 100%

SECURITY 100%

CONFIDENCE 100%

These three essentials for a bank are faithfully carried out in this institution. For twenty-four years we have labored to induce the wage-earner and people of small means to deposit their savings with us, and how well we have succeeded is best shown by the fact that for the year 1912 we have paid for interest to depositors \$37,202.82.

Just think a moment! This sum has largely been created through our assistance. You want also to remember that money in bank is always par plus interest, not subject to any fluctuation. When the necessity comes your money is ready. How many people have been benefited by our system for loaning money on Real Estate can hardly be computed, but each day brings us messages from those who now own their homes that may never have reached this comfort but for us. These thoughts are worthy of your consideration. We are always ready to confer with any one desiring to do so.

One dollar starts an account.
Drafts on all parts of the world.
Travelers' cheques issued, good everywhere.
Safety deposit boxes for rent.

SUFFRAGE TICKET IS NOT OPPOSED

Ginter Park Citizens Ratify Candidates Selected at Recent Mass-Meeting.

Ginter Park citizens to the number of seventy went to the polls yesterday and unanimously ratified the selections for municipal officers made by a mass meeting of all citizens, both men and women, held December 17, in the Ginter Park School.

John Garland Pollard, who was unanimously chosen mayor in the primary election, will become mayor and presiding officer of the town council, which will be composed of six members. They are B. W. Wilson, Thomas Whitte, L. R. Curry, Charles G. Taylor, Jr., C. P. Cadot and T. C. Ruffin.

The officers of the new municipality will be sworn in on Tuesday by Judge R. Carter Scott, at Henrico Courthouse, and will proceed immediately to organize for business. It is expected that committees will be appointed by Mayor Pollard at that time.

Ginter Park has a voting population of approximately 250, although only about 125 are registered. The light vote in the election yesterday is accounted for by the fact that the real choice was made several weeks ago in the primary election, or the mass-meeting, as it may be called.

The new municipality makes the third of its kind clustered about the northern boundary of Richmond. It has a population of approximately 1,000 and taxable values reaching into seven figures. It has been said that the average wealth of each citizen is more than \$100.

By reason of the manner in which the officers were chosen the inauguration of town government in the suburb has attracted more than usual attention. The mass-meeting at which the ticket was selected was attended by about ninety men and thirty women, all of whom participated in the proceedings.

No More Gray Hair

Try This Simple Home Made Preparation on the Whittened Locks.

"Silver Threads" may be capable of inspiring the song writers, but they are anything but inspiring to men and women who find them coming in their own locks, thus announcing the approach of age. These "footprints of Time," however, may be readily covered up by using a simple, inexpensive formula which can be prepared privately in your own home. You can get from any druggist at little cost an ounce of bay rum, a quarter ounce of glycerine and a small box of Barbo Compound; then dissolve the Barbo Compound in 7 ounces of water, add the other two ingredients and you will have a preparation that cannot be excelled for darkening gray hair, removing dandruff, correcting humors of the scalp and invigorating the hair follicles. It does not make the hair sticky, does not rub off or color the scalp. It is equally as good to darken the beard as the hair. There is no other ingredient that can take the place of Barbo Compound in this recipe, so if you are a druggist is out of it ask him to order it from his wholesaler for you.—Advertisement.

MILITIA TO MARCH BEHIND WILSON

Volunteers Likely to Go to Washington—Railroads Make Low Rate.

It now seems pretty well assured that the Virginia Volunteers will go to Washington to take part in the inaugural parade on March 4. Adjutant-General W. W. Gale said yesterday that most of the members of the Military Board seemed favorable to the proposition, and that the probabilities are in favor of the trip. Definite decision will rest with the board, which will soon be called together to consider the matter.

The railroads have, at the invitation of the Adjutant-General, made a rate of 1 per cent per mile for the militiamen, making 2 cents per mile for the round trip. A computation of distances shows that the cost of transportation will be about \$3,000. Adding pay and subsistence, the total cost to the military fund will be about \$12,000. The rate made by the railroads is regarded as very satisfactory. For the sum named, they will take the soldiers into the Union Passenger Station.

Senator Martin and Congressmen May have up with the inaugural committee the question of quarters for the Virginia Volunteers during their stay in Washington.

AMBULANCE "DOC" HAS BUSY TIME

Called to Treat Sick and Maimed in Widely Separated Sections.

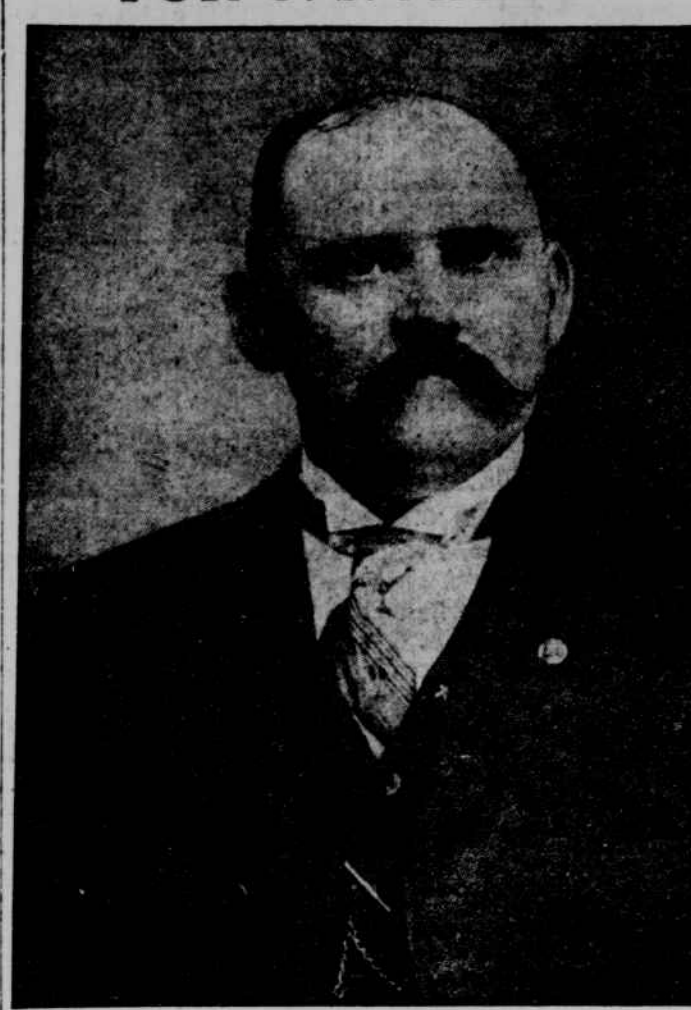

Dr. R. C. Hooker, surgeon in charge of the City Hospital ambulance, spent the early hours of yesterday evening applying the first-aid-to-the-injured treatment to a half dozen cases in widely separated parts of the city. The calls came in quick succession.

From Brook Avenue and Clay Street came a distress signal late in the afternoon. The surgeon found James Perrell, colored, of 417 Madison Street, with an ugly hole in his head, the result of a blow with a hammer. The wielder of the hammer was nowhere in sight, and the surgeon plugged the negro's wound and sent him home.

At 5:20 o'clock the ambulance responded to a call from South Richmond, where Grady Leeper, of 218 East Fourth Street, had sustained a broken forearm as the result of an ill-executed jump. Two hours later Dr. Hooker treated Walker Randolph, colored, of 17 West Leigh Street, who suffered a contusion of the right foot, when he jumped from a street car at Robinson and Broad Streets. He was taken to the Virginia Hospital.

Thomas A. Manley, a white man, who lives on P. Street, Fairmount, fell on his head near the corner of Eighteenth and Franklin Streets, sustaining deep scalp wounds. He was treated and taken home. At 9:30 o'clock the ambulance surgeon found Mary Pryor bleeding to death from a hemorrhage, at 1110 North Sixth Street. Treatment on the spot failed to arrest the flow of blood, and she was rushed to the City Hospital. Her condition was reported to be serious.

IS CANDIDATE FOR U. S. MARSHAL

JOHN G. SAUNDERS.

Sergeant of Hustings Court, Part 2, Would Like to Serve Government.

Strong indorsement is being volunteered Sergeant J. G. Saunders, of Hustings Court, Part II, who, at the solicitation of many friends, has formally announced his candidacy for the position of United States district marshal, which becomes vacant on March 1.

Since the announcement of his candidacy, he has received many encouraging and flattering letters from friends throughout the State and district with assurances of support.

Sergeant Saunders is still a comparatively young man. He has just about reached the prime of life, having recently celebrated his forty-third birthday since 1882. He has resided on the Southside since 1882. During the interim he has taken an active part in politics, local and otherwise. He is one of the most popular men in his section of the city. In addition to being an active church worker, he is a member of practically every fraternal order on the Southside, and has filled some of the highest offices in the various lodges.

Before securing his present position, Sergeant Saunders served his ward in the City Council of old Manchester. While serving his second term in that body he sought and secured the nomination for city sergeant in an open primary, in which seven candidates ran. In that election 1,167 votes were cast. Sergeant Saunders received 606, leading his nearest opponent by exactly 400 votes. At the expiration of his term, he sought and secured re-election, this time without opposition.

As far as qualifications for the position are concerned, Sergeant Saunders is probably as capable as any man seeking the place. His work on the Southside is very similar to the duties of the position he seeks. He has served under Judges William I. Crompton and John H. Ingram, and is now serving under Judge Ernest H. Wells, of Hustings Court, Part II.

In addition to the indorsement of friends, Sergeant Saunders, which is being exerted in his behalf, and which gives him strong hopes for the appointment.

CHARGE NOT SUSTAINED

Man Accused of Accosting Young Woman Fined for Disorderly Conduct.

E. E. Tenny, fifty years old, was sentenced yesterday by County Judge H. S. Sunday to the county jail to pay a fine of \$5 and costs for disorderly conduct. The man was arraigned on a charge of accosting a young woman on a public highway. He was alleged to have cursed, abused and applied indecent language to her. This charge could not be sustained, and was dismissed.

Attorney Edgar Egan represented the accused. Commonwealth's Attorney Frank T. Sutton, Jr., conducted the prosecution.

Accused for Stealing

Hunter Thomas, colored, was arrested last night by County Policeman John Shoemaker and turned over to Deputy Sheriff Joe Lyons at Henrico Jail to await trial on the charge of stealing a pair of shoes from John Jones and a pair of pants from Chris Harvey. The two pairs were good for \$5, according to the valuation furnished the county officers.

Childster Issued

Suter & Raymond, Incorporated, Alexandria, Va. Capital stock, \$500 to \$25,000. Alexander Suter, president; S. L. Slaymaker, vice-president, both of Alexandria; M. T. Keilher, secretary and treasurer, Washington, D. C.

Infantrymen Discharged

Sergeant Irving C. Knowles, of Company A, Richmond Light Infantry Blues, and Private Johnson, Company B, same regiment, have been discharged, their terms of enlistment having expired.

Blues to Have Drill

Major E. W. Bowles has issued orders for a dress parade and drill and parade of the Richmond Light Infantry Blues on the night of Thursday, January 10.

Richmond—Petersburg

Linked together by every tie—sentiment, relationship and common interests—in EVERYTHING except a good HIGHWAY.

It should be possible to construct a model road of concrete between these two cities. Richmond, Petersburg, Chesterfield county and property owners all should help, as the value of such a road to this whole community will be inestimable.

Let the forward movement for national good roads grow. Let EACH link in the chain be perfected—a foot, a yard, a mile at a time. That is the way to build the great fortune—A PENNY, A DIME, A DOLLAR at a time working for you at 3 per cent Compound Interest in the

ROANOKE HOST TO TEMPERANCE FOLK

Anti-Saloon League to Meet in Western Virginia for First Time.

Richmond, for the past several years the annual gathering grounds for the Anti-Saloon League, will this year give way to Roanoke, which has been selected as the convention city. The white ribbon hosts will gather there for their big annual meeting on February 18. The sessions will cover two days.

Lack of adequate hotel accommodations in Charlottesville and Lynchburg, both of which cities put in a bid for the convention, are assigned, in a statement issued yesterday by Secretary J. D. McAllister, as the reason for staging the annual meeting in the far western part of the State. The eleven former conventions have been held in eastern cities, a number of them in Richmond. It was considered advisable this year to move the convention westward, but adequate hotel accommodations could not be found nearer than Roanoke.

"This is the first time the Anti-Saloon League has ever held a State convention as far west as Roanoke," said Mr. McAllister, "and, as the west and southwest sections of the State have always been strongholds of temperance, and the Roanoke Anti-Saloon League one of the most aggressive in the State, an unusually large attendance will be expected."

"The attendance upon the league conventions have been so large in recent years that the question of entertainment has become a problem. The convention would have been heartily welcomed in either Charlottesville or Lynchburg, but owing to the hotel situation in both of these cities, the local temperance forces did not think it advisable to undertake to provide public accommodations for 400 or 500 delegates."

Prominent Speakers Slated.

Preliminary plans for the convention were completed last week, at a conference between Secretary McAllister, of the Anti-Saloon League, and a committee from the Roanoke league.

The program, as far as it has been completed, provides for addresses by a number of prominent speakers, several of them with national reputations.

The list of speakers includes Dr. P. A. Baker, national superintendent; Rev. T. M. Watt, of West Virginia; John G. Woolley and other Senator Kenyon, of Iowa, or Senator-Elect Sheppard, of Texas. The latter is the author of the interstate liquor shipment bill now pending before Congress. In addition to these there will be a strong array of speakers from Virginia.

BOARD LOOKS AT CHANGE REUNION OF STREETS IN AUTO

Administrators Make Tour of City for Knowledge of Street Conditions.

Preparatory to making plans for street improvement for the coming year, the members of the Administrative Board took an automobile tour of Richmond yesterday morning and afternoon, obtaining first-hand knowledge of conditions. Although the board holds no regular session Saturdays, the day is generally used for conference, and yesterday was given over to the inspection.

The board took the trip as the guests of Alderman James Disney, who volunteered the use of his automobile for the inspection. In the morning the party toured the extreme northwestern section of the city, covering practically the whole of Clay and Lee wards, considering each street in the light of applications for improvement which have been filed with the board.

The afternoon was spent on the streets of the East End, where it is probable a goodly portion of the street fund will be spent this year. The board has already received a flood of applications from citizens relative to paving and curbing streets, but its hands are more or less tied in regard to funds.

At the present time the members of the Administrative Board have no idea of how much money will be at their disposal for streets for the coming year. There is a standard small appropriation which can only be used for grading and curbing, but this is only a drop in the bucket compared to the amount usually spent by special appropriation. In a recent number, \$350,000 was expended in street paving.

The board hopes to have the Council greatly increase the special appropriation this year for streets.

NEW INSPECTOR HERE

Howitzer Officers May Take Tactical Walk With Him To-Day.

Lieutenant Bolesluis, United States Army, newly appointed as inspector-in-chief, arrived in the city last night, to spend three days with the Richmond Howitzers.

It is expected that the officers of the battery will go with Lieutenant Bolesluis this afternoon to Taylor's Crossing, the scene of two artillery battles, for a reconnaissance, returning to-night.

Kellam Acquitted of Murder.

Detective Sergeant L. R. Kellam was acquitted yesterday morning by Police Justice (Judge) of the charge of murder, Webster Morrison, the negro bank robber, who stole \$6,000 from the Washington and Southern Bank, Washington, D. C. It was clearly proved that Kellam acted in self-defense when he attempted to place Morrison under arrest when found in a Seventeenth Street lodging house, he drew a revolver and attempted to shoot the officer.

Council Committee Meetings.

Only two committee meetings of the Council will meet the coming week, and the Board of Aldermen. The meeting of the new committee on Public Interests, which is for the purpose of organization.

Following is the calendar:
Monday—Street Committee, at 5 o'clock.
Tuesday—Board of Aldermen, 8 o'clock.
Wednesday—Board of Public Interests, 5 o'clock.
Thursday—Ordinance Committee.

City Accountant Refuses to Discuss Rumor That He Will Succeed Martin.

City Accountant George S. Crenshaw, reported to be under consideration by the Council as successor to City Auditor E. J. Warren, refused to discuss the rumor last night, when asked concerning it by a reporter for The Times-Dispatch. He did not care to comment upon the situation in any way other than to say the matter had not entered his head.

Since certain members of the Council have been agitating the retirement of Auditor Warren from active to advisory position when the recommendations for the installation of modern bookkeeping systems are brought before the Council, the name of City Accountant Crenshaw has persistently cropped up as the logical successor of the present City Auditor in case Mr. Warren is honorably retired.

Auditor Warren, although eighty-five years old, is remarkably well preserved, and puts in a full day's work six days a week at his office in the City Hall. It is the contention of Councilmen favoring the reorganization of his office, however, that since a new system of accounting is to be installed, it will be consistent to honorably retire Mr. Warren and place a younger man in active control of his office. In any case, it is understood, that the present Auditor is to be retained in advisory capacity.

The man who is generally suggested as the new City Auditor, George S. Crenshaw, became City Accountant when that office was vacated by Charles McCarthy. He has occupied this position of special accountant for several years, and is regarded as admirably equipped to undertake the supervision of the reorganization of the City Auditor's office.

Seventeenth Street Bankrupt, Charged With Concealing Assets, Will Be Tried April 7.

Nathan Weinstein, the Seventeenth Street merchant, who was arrested Friday on the charge of fraud in connection with a petition in voluntary bankruptcy filed by him on December 27, was yesterday held for the grand jury by United States Commissioner Melvin Flegenheimer. The action followed a two-hour hearing before the commissioner in the District Court chambers.

Assistant District Attorney Robert H. Talley conducted the prosecution and introduced two witnesses, who testified to "irregularities alleged to have been committed by the bankrupt. He asked that Weinstein be held for the grand jury. Commissioner Flegenheimer thought that sufficient evidence had been presented to show probable cause, and fixed Weinstein's bail at \$2,000. The bond was furnished, and Weinstein was released. The case will come up on April 7, the first day's session of the United States District Court.

Says Goods Were Removed.

The warrant sworn out by Assistant District Attorney Robert H. Talley charged that Weinstein "did feloniously conceal, while a bankrupt, from his trustee, A. L. Boulware, certain property belonging to the bankrupt estate." In support of this charge, the district attorney introduced yesterday Richard Scott, a colored porter employed by Weinstein, who swore that shortly before the filing of the petition he took a case of goods from Weinstein's store to the store of Samuel Meyers, 1319 Hull Street, South Richmond.

Isidore Cohen, another government witness, told of other removals of stock. A. L. Boulware, the trustee, and Richard E. Powers, deputy clerk of the United States District Court, testified to matters of record. No witnesses were put on by the defense. Weinstein was represented by Attorney H. M. Smith, Jr.

Regulation for Freed.

Governor Mann issued a regulation yesterday on Governor Jackson-Harmon, of Ohio, for Joseph Freed, who is wanted in Rockingham County on a charge of forgery. He is in jail at Lima, O. D. C. Crossman was named as the officer to bring Freed to Virginia.
